However, women have never considered him as a serious beau since hersquo;s a paraplegic. Wheels has come to accept that hersquo;ll most likely never find a wife. But Nora Guthrie has strong feelings for Wheels. She appreciates all of his fine qualities and he makes her heart beat faster whenever shersquo;s near him. Surprised by her attraction, Wheels wonders if theirsquo;re compatible on a romantic level. The two friends embark on a romantic journey together. Mayor Carly Branson both despises and desires Ray Stratton. Hersquo;s conceited, cocky, and too handsome for wordsmdash;which comes in handy in his profession as a male prostitute. The sparks that fly between these two could light up the night sky and theirsquo;re drawn to one another despite their mutual hate. Or could it be love? Four people come to important crossroads in their lives. Will they travel down the right path that leads to happiness or will they take a wrong turn and end up lonely and heartbroken?
